Orchestrating agents and web services

Julian Padget & John Fitch

E-mail: {`jap,jpff`}`@cs.bath.ac.uk`

Vision

- ☐ Synthetic performance
- ☐ Human conductors of synthetic performers
- ☐ Human perfomers interacting with synthetic performers
- ☐ Performance at a distance

Projects are aimed at delivering parts of this jigsaw

Assorted topics

cuepoints for remote performance

synthesis with web services (MIDAS)

gesture

oscillator calibration

score following

filter workbench

beat tracking

positioning

DSP flowgraphs

pitch tracking

instrument modelling

sound classification
